- A2- All Authors and Co-authors must inform their respective Dept. Head/Principal/Guide about the paper submission of papers in to Big Data Research Forum International Conferences.
- A3- All Authors and Co-authors should write the correct affiliation inside the paper.
- A4- The Organizing Committee may not accept the papers submitted after the last date of registration.
- A5- Big Data Research Forum accepts each paper for conference after doing the review by three Big Data Research Forum Reviewers.
- A6- Big Data Research Forum never publishes the author's or co-author's emails online.
- A7- Big Data Research Forum can't add, modify or delete any author's or co-author's name inside the paper after the registration of the paper without the permission of all authors and co-authors present inside the paper.

A8- Big Data Research Forum never publishes any unregistered paper.

A9- Big Data Research Forum is not responsible for identifying the Original author or co-author of the paper. The person who submits the paper will be taken as the original author of the paper.

A10- In any case if Big Data Research Forum receives the complaint about the originality of the author and it found to be true the paper will be suspended from the publication immediately.

A11- Big Data Research Forum can't republish or distribute any suspended paper from the date of suspension.

A12- Big Data Research Forum is not responsible for obtaining any kind of Visa. Big Data Research Forum may not contact the embassy of any country on the behalf of the participants. Obtaining the Visa to attend any Big Data Research Forum conference/Meeting at any country is the sole responsibility of the participants only.

A13- Big Data Research Forum can cancel the Conference registration and refund the money if the visa application gets canceled of any registered participants only before the last date of Registration.

A14- Big Data Research Forum never takes the guaranty of any participants while he/she is on any kind of Visa to any country.

B - Attending Big Data Research Forum International Conferences:

B1- All participants must register before coming to the conference by paying the specified amount mentioned at the registration menu of the Official Conference Website or a written letter from the Organizing Secretary.

B2- All participants must follow the official Conference page only regularly for getting the latest information about the event.

B3- The Organizer may change the venue and date at any time before the conference. If the organizing Committee decides to change the venue and Date of Event, all registered participants (Only) will get the information via mail and Phone.

B4- The participants should not involve any kind of violence inside and outside of the venue at any time before and after the event.

B5- The participants must bring their original ID card while attending the Conference otherwise you can't attend the conference.

B6- Due to a shortage of Conference KIT Big Data Research Forum may not give you the participant KIT at the time of Conference; in such cases Big Data Research Forum will provide you the Conference KIT via Speed Post after the Conference.

B7- Any participant reaching after the reporting time at the venue will not be considered for the presentation at the conference and not allowed to participate in the conference.

B8- Any Activists are not allowed to register and attend the conference.

B9- Big Data Research Forum has all rights reserved to publish the conference images at any platform at any time.

B10- Big Data Research Forum will be not responsible for any refund of the ticket or any kind of money loss to the participants if the conference gets cancel or rescheduled to other place or date. However, the registration amount will be refunded.

C - Publication in International/National Journals:

C1- Big Data Research Forum has all the rights to select the papers from the conference to publish in the International Journals.

C2- Publication in Scopus Indexed/SCI Indexed or any associated Journal: Big Data Research Forum can submit the paper to any non-Big Data Research Forum International Journals indexed in Scopus or SCI on the written request by the author. In such a case, the author will have to bear the entire publication cost (according to the particular journal). It may take 3 to 12 months for the review and publication process.

C3- Payment made for the purpose of attending the Big Data Research Forum conferences will not be refunded if the registered paper is not selected for any Scopus or SCI Indexed journal or if the author doesn't want to publish in any Big Data Research Forum associated International Journal after the conference.

C4- Big Data Research Forum may accept the paper from its conferences or its associated conference for publishing in the Big Data Research Forum associated International Journal after extending the paper at least 20% from the authors.

C5- Big Data Research Forum takes minimum of 25 to 60 days to complete the Round-2 review process for the Big Data Research Forum associated International Journals after the conference.

C6- All Big Data Research Forum associated International Journals are approved by the ISSN.

C7- Authors need to pay the Journal hard copy charges while getting the Journal hard copy.

C8- The Editorial board has all the rights to reject any paper to publish in International Journal after the 2nd round of Review (After Conference/seminar). If the paper gets rejected then no registration fee will be refunded paid for conference registration fees.

D - Plagiarism policy

The plagiarism policy ensures authors give due credit to other authors while referencing and it protects the academic integrity of the research community.

D1. All research papers submitted for publication are checked with plagiarism detection software to verify its originality and find similarity percent of a research paper. And the papers failing to satisfy the mentioned criteria are sent back to the author for modification.

D2. If plagiarism is detected in research paper just before publication, the author will be given a chance to resubmit the paper after necessary modification as suggested by the editor. However, if the editor decides plagiarism is a major issue in the research paper, it will not be considered further for publication.

D3. If plagiarism/fake identity is suspected or detected in research paper after its publication, the research paper will be removed from website till completion of verification. In case few paragraphs are plagiarized the author will be given a chance to modify the published paper and the research paper will be restored in website after the editor's approval.

D4. However, if Big Data Research Forum decides plagiarism/fake identity is a major issue in the published paper and it seriously violates the copyright of others then the paper will remain removed from publication and the author will be penalized and will be blacklisted from Big Data Research Forum and other Conference Organizers for lifetime. Also, it will be mentioned in journal website about the removal from publication as well as indexing services will be notified about the removal.

D5. Authors republishing their earlier published work (self-plagiarism) will also be dealing in the same the procedure as mentioned above.
